Please note the technical data of the products!

**Article Numbers:** 660913, 660910, 660909, 660908

## Safety Instructions:

- Risk of suffocation if the chairs are used or stored incorrectly. The chair is not suitable for use by small children and there is a choking hazard due to possible small parts from improper assembly.
- Do not stack more than four chairs to avoid tipping over and the risk of falling.
- Ensure that the chair is used on a stable, level surface to prevent it from tipping over.
- When self-assembling, follow the instructions carefully to ensure a stable construction and prevent possible injury.
- Ensure that sharp edges are rounded to avoid injury. Avoid sharp objects near the chair as the polypropylene seat could be damaged.
- Do not sit on the edge of the chair or use it as a step.
- Observe child safety precautions, as small children could play with the chairs. Small children should not stand on the chair or pull on it to avoid the risk of falling.
- Ensure that the chair is used indoors and outdoors to avoid weather damage. When used outdoors, regularly check for possible weather influences and protect the chair accordingly in extreme weather conditions.
