### **Safety Instructions:**

- Take care when lifting heavy loads to avoid injury.
- If used improperly, the castors can block, which can lead to falls. Avoid improper use of the ball bearing castors to prevent falls and injuries.
- The Teflon coating ensures easy cleaning, but extra care should be taken with standing liquids. Do not use chemical cleaning agents that could damage the plastic surface.
- Not suitable for use by children or untrained persons. Keep the cleaning trolley away from children to minimise the risk of injury.
- Make sure that the cleaning trolley is not overloaded to ensure stability and safety. Only use the trolley on level surfaces to minimise the risk of it tipping over.
- For mobile use, make sure that there are no obstacles in the way to avoid tripping hazards.
- Regularly check the fastenings and the condition of the telescopic handle to ensure safe handling.
- Store cleaning agents safely and in accordance with the manufacturer's instructions to avoid health risks.
