Article Numbers: 660969, 660968

Safety Instructions:

- Ensure that the transport trolley is not overloaded during use (observe the maximum load capacity of 300 kg).
- Take care when transporting heavy loads to avoid injuries or accidents.
- Protect the product from moisture and extreme temperatures to prevent material damage.
- Avoid using the scooter on uneven or dangerous surfaces.
- Regularly inspect the rollers for possible wear or damage.
- Ensure safety when manoeuvring, especially in confined spaces.
- Ensure that the transport trolley is used on a level surface.
- Avoid sharp bends to prevent the scooter from tipping over.
- The use of appropriate personal protective equipment (e.g. safety shoes) is recommended.
- Do not leave small parts of the product unattended to minimise the risk of injury.
