Article Numbers: 660931, 660929, 660928

Safety Instructions:

- Caution: May contain small parts that could pose a choking hazard. Not suitable for children under 3 years of age.
- Requires careful handling when operating the laminator to avoid scalding.
- Careful preservation of instructions and safety information in understandable language is necessary.
- Only use the appliance in accordance with the instructions to avoid the risk of injury.
- Note that the product is electrically operated and ensure that no moisture penetrates the electrical components to avoid the risk of electric shock.
- Avoid heating or overheating the appliance during operation to minimise the risk of fire.
- This product must be disposed of in accordance with local regulations as it contains electronic components.
- When laminating large formats, ensure that the laminator is not overloaded.
- Avoid using the product to laminate materials that are not suitable for lamination.
