Article Numbers: 660930, 660927, 660926

Safety Instructions:

- Avoid choking hazard due to small parts; please keep away from children, not suitable for children under 3 years.
- Keep the laminator and all films away from children to avoid injury.
- Avoid contact with electrical components and moving parts.
- Do not overheat the laminating film; protect from overheating to avoid the risk of fire.
- Do not clean in water or under running water; keep the appliance dry.
- Ensure that the appliance is placed on a stable, non-flammable surface to prevent it from tipping over and creating a trip hazard.
- Caution: The appliance can become hot if handled incorrectly; take care when touching the skin.
- Only use the product with recommended foil cassettes to avoid the risk of fire.
- This product is intended for use by adults only.
