**Article Number:** 563055

## Safety Instructions:

- Please note that the mobile extension should only be used by one person to prevent it from tipping over.
- Regularly check the stability of the castors and ensure that the castor brakes are working properly.
- For heavy loads, it is recommended that the maximum weight of 450 kg is not exceeded.
- The steel plate of the mobile extension may have sharp edges. Be careful to avoid injury.
- Keep the movement area free of obstacles to avoid falls and accidents.
