Safety Instructions:

- Caution: Choking hazard due to small parts that can be swallowed by children. Keep batteries out of the reach of children.
- Batteries are included in the scope of delivery; there is a risk of suffocation if handled incorrectly. Batteries are not suitable for children.
- The clock is suitable for indoor use, avoid contact with water. The product is not splash-proof and is not suitable for outdoor use. Protect from moisture, do not use in damp rooms.
- A manual time setting is required in the event of signal interference. Have the user manual to hand. The clock should not be set up near metal structures as this can cause signal interference.
- Do not install in places where the clock could fall.
