Safety Instructions:

- Use the monitor in accordance with the specified resolution and brightness to ensure optimum visibility and eye protection.
- Make sure to place the monitor on a stable surface and mount it correctly to avoid the risk of it falling over.
- Avoid using the monitor beyond the recommended viewing distances to minimise eye strain.
- Do not use in damp or wet environments to prevent short-circuit damage.
- The monitor should not be operated during a thunderstorm or lightning to minimise the risk of electric shock.
- Keep the ventilation slots of the monitor clear to ensure sufficient heat dissipation and avoid the risk of overheating.
