Safety Instructions:

- Not suitable for use by children under 3 years of age due to choking hazard from small parts.
- Only stack on level ground and non-slip surfaces to ensure stability and prevent tipping. Ensure that stability is guaranteed when stacking more than 4 units.
- Avoid prolonged and extreme exposure to sunlight and extreme temperatures to prevent discolouration, material fatigue and material damage and to ensure material integrity.
- Wipe the chair regularly with a mild detergent, clean the surface regularly to increase its durability and prevent mould from forming outside.
- Be careful if there is a risk of tripping on uneven surfaces and be aware of the risk of slipping on smooth surfaces indoors and outdoors.
- Risk of electric shock if used improperly near water sources.
