Article Number: 661029

Safety Instructions:

- Ensure that the appliance is used in accordance with the manufacturer's instructions.
- Users should ensure that the appliance is not used near water sources to avoid electric shocks.
- The appliance should always be kept away from children to prevent accidents.
- In the event of problems with the appliance, contact customer service immediately instead of carrying out repairs yourself.
- Ensure that the necessary original documentation for safe operation is available.
