E-Mail: info@go-europe.com

Please note the technical data of the products!

Article Number: 168538

Safety Instructions:

- The product does not require a TSE licence, which has been required in Germany since January 2023 in accordance with the Kassensicherungsverordnung (KassenSichV).
- Improper use could result in data loss due to a lack of cloud backup options after the free 6 months have expired.
- The K100 cash register must be safely connected to power sources to avoid the risk of electric shock.
