Safety Instructions:

- Make sure that small children do not use the recycling bin as a climbing aid and place it in a stable location to prevent accidents.
- Avoid sources of fire in the vicinity of the recyclables collector and ensure that the lid is fitted correctly to minimise hygiene, cleanliness and fire hazards.
- Keep sharp or pointed objects away from the recyclables collector to avoid injury and damage.
- Dispose of the recyclable waste collector in an environmentally friendly manner and in accordance with local regulations.
- The recyclables collector is not suitable for children due to the risk of confusion and because of its shape and material.
- Do not fill more than the recommended volume of 60 litres to ensure stability.
- Avoid excessive heat so as not to affect the structure of the polystyrene.
