Safety Instructions:

- Do not exceed the maximum load of 370 kg.
- Before use, ensure that the trolley is positioned on a stable level.
- Take the necessary safety precautions to avoid injuries during loading and unloading.
- Check the rubber mat regularly for wear and replace it to ensure it is slip-resistant.
- Ensure that the lattice frames are fitted correctly to prevent the trolley from tipping over.
- Wear gloves during use to avoid injury to hands.
- Do not exceed the temperature limits of -20 to +80 °C.
- Keep the product away from children to avoid injury or accidents.
