Safety Instructions:

- Caution: Choking hazard due to small parts and improper assembly or improper use due to moving parts.
- Note on safety when using the height adjustment: Avoid the risk of crushing fingers; this should always be done safely and smoothly.
- If used incorrectly, the standing desk can tip over, which can lead to injuries. Ensure that the product is stable to prevent it from falling over or tipping over.
- Risk of injury from sharp edges or corners of the wooden material.
- Not suitable for children - risk of injury or damage if used improperly; should be set up at safe distances.
- Follow the instructions carefully for self-assembly and installation; the instructions must be enclosed to avoid unsafe connections.
- Make sure that the castors are fixed when the product is used stationary and that they function correctly to prevent injury and damage.
- Only use the lockable compartment for suitable objects to avoid overloading.
