### Safety Instructions:

- Only use the recommended screws and wall plugs and mount the product correctly and stably on the wall to prevent it from tipping over or falling.
- The fold-out tabletop should only be used up to the maximum specified load capacity. Ensure that it is fully folded down and correctly locked in place to prevent injury and damage.
- Children should be kept away from the product as it is not designed for their use and there is a risk of suffocation or crushing. The product must not be used as a toy.
- Keep small objects and sharp/pointed objects out of the reach of children. This avoids the risk of suffocation and prevents damage to the tabletop.
- Read and follow the operating and installation instructions carefully in order to observe safety instructions and ensure the safety of the product.
- Ensure that the wall mounting is stable and safe and use suitable tools for mounting to avoid injury from improper use.
- Make sure that heavy objects on the table top do not affect the stability of the entire wall-mounted desk.
- Keep the product away from water and moisture to prevent damage.
- Check for damage before use to avoid safety risks.
- Sharp edges and corners can pose a risk of injury; appropriate precautions must be taken.
