Article Numbers: 661020, 661019, 661018, 661017

Safety Instructions:

- Not suitable for children under 3 years of age, as small parts may pose a choking hazard.
- Avoid direct contact with dirt or extreme temperatures during storage and store the product in a dry, cool place, protected from direct sunlight.
- Please use and handle the product only in accordance with the intended applications and instructions to avoid injury.
- Adhesive tape should not be used in the microwave or oven as overheating may occur.
- In the event of skin contact with the adhesive tape, wash off; if irritation occurs, consult a doctor and avoid prolonged skin contact.
- Caution if used incorrectly: Risk of injury from sharp edges of the adhesive tape.
- The product should not be used in the vicinity of flammable materials and is not suitable for contact with food.
- Pack the product securely to avoid injury during use.
