Article Numbers: 660528, 660527, 660526

Safety Instructions:

- Make sure that the cleaning trolley is not used by children to avoid the risk of accidents.
- Avoid excessive strain on the telescopic handle and do not use force to prevent breakage or damage.
- Check the stability of the trolley before loading it with heavy cleaning agents or utensils.
- Keep the cleaning trolley dry when wet and away from water and oils to prevent slipping and damage.
- The ball-bearing castors can wear out with excessive use. Regular maintenance is recommended to ensure that the trolley is easy to move.
- Before use, ensure that all parts are correctly installed and firmly tightened.
- Do not transport any heavy or sharp objects in the trolley to prevent it from tipping over.
- Do not exceed the maximum load of 18 kg.
- Drive carefully on slippery or uneven surfaces to prevent the load from slipping or tipping over.
- Fully extend the telescopic handle when moving the trolley and ensure that it is properly engaged.
- Park the trolley in a safe place after use to avoid accidents.
- Do not place excessive or heavy objects in the outer pockets to prevent the trolley from tipping over.
- Ensure that the trolley is positioned on a level surface to prevent sudden movements or tipping over.
