Safety Instructions:

- Take care when handling the waste bin to avoid injury from crushing parts. Make sure that the lid closes slowly to avoid crushing injuries.
- The product is intended for indoor use and should not be used outdoors.
- Improper use can result in the accumulation of liquids and the risk of slipping.
- Always keep the waste bin clean to prevent odours from escaping and bacteria from accumulating. Clean it regularly.
- Not suitable for use by children; ensure that children are not in the vicinity of the product and keep it out of reach of children.
- The product must not be overfilled to avoid overflowing and the risk of accidents. Only use the bucket for its intended purpose.
- Be careful when emptying the bucket to avoid overflowing or spilling waste.
- Only use the pedal bin for its intended purpose; avoid disposing of flammable or hazardous materials.
- Make sure to place the waste bin in a stable and safe area to prevent it from tipping over.
- Avoid contact with sharp or pointed objects to prevent damage to the plastic.
- Keep the bucket away from direct heat sources and extreme temperatures.
