Article Number: 660509

Safety Instructions:

- For safe use of the glass cloth, it is important not to treat it with aggressive chemicals or unsuitable cleaning agents, as this could damage the fibres.
- The glass cloth should be used with various cleaning agents in accordance with the manufacturer's instructions so as not to impair the durability and effectiveness of the product.
- Ensure that the product is kept out of the reach of small children to avoid possible choking hazards due to small parts.
- The hygiene and cleaning standards of the CDC should always be observed when using the product.
