Article Numbers: 660490, 660488, 660487, 660486

Safety Instructions:

- Do not place upside down to avoid the risk of injury.
- Before transporting, pull the lid onto the transport tray and make sure that it is securely in place to prevent damage and accidental opening.
- Please do not enter if the lid is not properly secured.
- Not suitable for children without adult supervision. Keep the lid out of the reach of children.
- Do not load heavier loads than the maximum limits specified on the packaging.
- Protect from sharp edges and other mechanical hazards.
- Include safety information that is easy for the consumer to understand.
- Ensure that no parts of the product pose a choking hazard.
- If the cover is used as part of a system, ensure that there are no safety risks when using other products together.
- Do not offer the product on the market if it is handled or used improperly.
- Ensure safe handling during transport and storage to prevent damage.
- If used incorrectly, there is a risk of breakage, which could lead to injuries.
- Check the condition of the lid regularly to recognise wear or damage in good time.
- Only use the lid for its intended purpose.
- If the lid is damaged or unusable, replace it immediately.
