Article Numbers: 167444, 167443, 167442

Safety Instructions:

- Choking hazard due to small parts (in case of improper use or misuse).
- Attention: Dispose of small parts in accordance with local regulations.
- Ensure that the labels are only used for the intended applications to avoid possible damage or misuse.
- Use only with compatible DYMO devices to avoid malfunctions.
- Take care when using outdoors: Check the adhesion of the labels regularly.
- Do not have direct contact with food and not suitable for direct contact with food.
- The product is made of plastic and should not be exposed to high temperatures. Protect the product from extreme heat and direct sunlight.
- Provide safety warnings for use in areas with heavy cleaning or chemicals.
- Suitable for indoor and outdoor use, but protect from direct sunlight.
- Remove all packaging materials before use.
- Keep away from children and pets.
- Preservation of the labels and all security-relevant information so that they can be accessed if required.
- The labels are scratch-resistant, but they can be rubbed off with intensive use.
