Safety Instructions:

- Choking hazard due to small parts (magnets) - especially for children and vulnerable persons.
- Risk of cutting due to the hardened safety glass - sharp edges can occur if damaged.
- Risk of electric shock due to improper use of electric and dry-erase markers.
- This product is not designed for use by children.
- Caution when hanging - make sure that the wall is suitable and stable before mounting to avoid the risk of falling.
- Avoid scratches on the glass surface caused by contact with sharp objects.
- Use only designated markers - do not use permanent markers.
- The glass board does not contain any substances that are harmful to the body, but contact with the eyes should be avoided.
