Safety Instructions:

- Use the headset in a safe and quiet environment to avoid interference and potential hazards.
- Avoid excessive volume to prevent hearing damage.
- Only use active noise cancellation in safe environments; be aware of your surroundings.
- Keep the headset and the USB adapter away from liquids and high humidity and do not use them in wet environments.
- The headset is not suitable for use in road traffic; make sure you are aware of your surroundings.
- Regularly check the charging cable and the USB adapter for damage to avoid electrical risks.
- This product is not suitable for children under 14 years of age and should be kept away from small children and pets.
- Stop using the appliance if you notice unusual noises, smoke or an unpleasant odour.
- Protect the headset from heat sources, naked flames and direct sunlight as well as from knocks or drops.
- Only use chargers and accessories recommended by the manufacturer.
- Dispose of the headset in accordance with local regulations for electronic waste.
