Safety Instructions:

- Choking hazard due to small parts (USB-C adapter). Caution: Not suitable for children under 3 years of age due to small parts that may be swallowed.
- Risk of electric shock due to improper connection to the mains supply.
- Risk of hearing damage during prolonged use without suitable hearing protection. Observe the maximum volume to avoid hearing damage.
- Make sure to charge the battery according to the instructions to avoid overheating.
- Avoid using the appliance near water or in a damp environment to minimise electrical hazards.
- Ensure that the headset does not come into contact with excessive heat or direct sunlight.
- Please read the operating instructions carefully before using the product in order to understand the safety instructions.
