Safety Instructions:

- Higher volume levels can damage hearing. Use SafeTone, PeakStop and set the volume appropriately to avoid hearing damage.
- Use active noise cancellation (ANC) to reduce distractions caused by ambient noise.
- In public and noisy environments, sensitive data can be captured via microphones.
- Battery may overheat if handled improperly; use charger according to instructions.
- Not suitable for children; small parts and accessories may pose a choking hazard. Not suitable for children under 3 years of age.
- Use only in dry indoor areas to avoid water damage.
- In case of excessive use, take breaks to prevent overstraining your ears.
- Do not use the headset improperly to avoid electrical hazards.
