Safety Instructions:

- Be sure to disconnect the projector from the power source before cleaning or performing maintenance.
- Make sure that the projector is placed on a stable surface to prevent it from tipping over or falling.
- Only use the cables and accessories recommended by the manufacturer to ensure safety and functionality.
- Ensure adequate ventilation when operating the projector to prevent overheating.
- The appliance is not a toy. Keep it away from children and do not allow them to play with the appliance.
- Do not use the projector in very humid environments or near water to avoid electric shocks.
