Safety Instructions:

- Not suitable for children under 3 years of age - choking hazard due to small parts. Certain products do not contain small parts, which eliminates the risk of choking.
- Risk of cutting and crushing if handled incorrectly.
- Do not overload - observe the maximum weight specified by the manufacturer.
- Use the product in accordance with the instructions provided to ensure safety.
- Make sure that the moving boxes are placed on a stable base to prevent them from tipping over.
- Protect from sharp edges - risk of injury due to improper stacking.
- Do not store cartons near sources of fire.
- Safe transport thanks to interlocking lids that ensure a stable hold.
- Environmentally friendly and recyclable - product is made from 100% FSC-certified recycled cardboard.
- Avoid using frayed or damaged cardboard.
- When storing in humid environments, ensure adequate ventilation to prevent mould growth.
