## Safety Instructions:

- Not suitable for printing with a PC. Use only with hand-writable writing instruments.
- Take care not to use the adhesive dots near the eyes or mouth to avoid the risk of choking, especially with small children.
- The self-adhesive backing can leave residue on surfaces, please apply carefully.
- Keep out of the reach of small children.
- Avoid contact with water to maintain adhesion.
- Not suitable for children under 3 years of age due to the risk of choking on small parts.
- The product should not be stored near moisture or strong detergents to ensure adhesion.
- The labels contain materials that may be unattractive to children, but accidental ingestion cannot be ruled out.
- Use in rooms with electrical appliances should take into account the risk of fire, as the labels can melt at high temperatures.
- Not to be used by children without adult supervision.
- Not suitable for contact with food.
- Enclose safety instructions in easily understandable language.
