Safety Instructions:

- Caution: Sharp edges and corners; risk of injury when handling the product.
- Do not overload drawers; do not exceed a maximum load of 10 kg.
- Do not overload the top floor; do not exceed the maximum load of 30 kg.
- Do not overload the underbody; do not exceed the maximum load of 15 kg.
- Take care not to overload the sideboard to avoid structural damage.
- Ensure that the product is placed on a stable and level surface to prevent it from tipping over.
- Not suitable for children under 3 years; small parts may pose a choking hazard.
- The product is fragile due to glass fronts; take care when handling the product.
- Please note that the sideboard must not be used as a toy.
- To avoid injury, the sideboard should be secured before attaching it to the wall.
- Keep the sideboard away from moisture to prevent damage to the surfaces.
- Only use the furniture in accordance with its intended use to avoid possible injury.
- The instructions must be followed carefully during installation in order to minimise safety risks.
