Safety Instructions:

- Furniture should not be used by children; it poses a risk of injury and is not suitable for children under 3 years of age, as small parts pose a choking hazard.
- To avoid scratches, sharp or pointed objects should not be used on scratch-resistant surfaces or the glass support.
- The chest of drawers is intended for indoor use only. Avoid direct sunlight and moisture, as these can damage the materials.
- Place the chest of drawers on a stable, level surface to prevent it from tipping over.
- Observe load limits: Max. 30 kg for the top shelf, max. 10 kg for the drawer and shelves, max. 15 kg for the bottom shelf to avoid structural damage.
- Follow the instructions during installation and use the correct tools to avoid injury.
- Keep adhesives and harmful chemicals out of the reach of children.
- Note on safety glass: Take care when handling broken pieces, as there is a risk of injury if they break.
- Use the soft-close function correctly to avoid crushing.
- Do not climb on the product or use it as a chair to avoid tipping over and injury.
