Please note the technical data of the products!

Article Numbers: 661225, 661224, 661223, 661222

Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from packaging material.
- Store in a dry place to ensure the stability of the box. Keep the box away from moisture and direct sunlight. Improper storage can damage the box, which may impair its functionality. Protect from moisture and extreme temperatures.
- Avoid overloading the box beyond the specified load capacity of 20 kg. Must not be loaded above the permitted weight (20 kg). Avoid compressing the box so as not to jeopardise its stability.
- Use only for the intended purpose. Corrugated cardboard boxes are not suitable for direct contact with food. Do not use for the transport of dangerous goods.
- Before assembling, ensure that the packaging and all parts are complete. Ensure that the self-adhesive seal works properly to prevent the box from falling open.
- No risk of suffocation from small parts if used correctly.
- Cannot be stored near sources of fire.
- Must not be stored within the direct reach of children.
- Disposal in accordance with local regulations for corrugated cardboard.
