Article Numbers: 168545, 168544, 168543

Safety Instructions:

- Not suitable for children under 3 years of age as small parts pose a choking hazard.
- Protect product from direct sunlight to avoid discolouration and material damage. Prolonged exposure may affect the clarity of the material.
- Do not use above a maximum of +70°C and below -30°C to avoid damage. The material may deform at extreme temperatures.
- Do not use in damp environments to avoid damage.
- No specific electrical hazards, but be aware of possible damage if handled incorrectly.
- Regularly check that metal surfaces are firmly seated to avoid signalling errors.
- Preferably install products in stable, inaccessible locations to prevent them from falling or getting lost.
