Article Numbers: 465387, 465386, 465385, 465384, 465383, 465382

Safety Instructions:

- Observe the maximum load capacity; do not overload to avoid damage.
- Ensure that the tray is placed on a stable and level surface to prevent it from tipping over.
- Use only for the intended purpose; do not cover or conceal.
- When used outdoors, UV exposure should be avoided to prevent material fatigue.
- Protect from contact with strong chemicals to ensure resistance; clean immediately in case of contact.
- Follow the safety instructions in the operating instructions; consult the operating instructions if you are unsure.
- Not suitable for use in extreme temperatures; avoid extreme temperatures so as not to compromise structural integrity.
- Check regularly for signs of damage or wear, especially after intensive use.
- Ensure a secure and leak-tight seal to prevent fluid leaks.
- Ensure suitable storage and transport conditions so as not to impair product conformity.
- Beware of contact with chemical substances; not suitable for contact with food.
- Dispose of the product in accordance with local regulations for plastic waste.
- Protect the tray from direct sunlight to prevent premature material fatigue.
