Safety Instructions:

- Avoid direct contact with sharp surfaces to prevent damage.
- Protect the product from chemical substances to prevent damage.
- Do not overload to ensure load-bearing capacity and structural integrity.
- Place the folding tray on a stable, level surface to prevent it from tipping over.
- Store the product in a dry, cool place to prevent damage.
- Avoid direct UV rays and extreme temperatures to prolong the service life.
- Carry out regular inspections to avoid cracks.
- Do not overload the tub and use it for its intended purpose to avoid injury.
- Protect the tray from direct sunlight to prevent material damage.
- Use suitable protective equipment in the event of chemical leaks.
- Avoid overflowing the leakage tray by observing the maximum capacity.
- Keep the folding tray out of the reach of children.
- Avoid contact of the tray with chemicals stored in it.
- Check the tray for cracks or damage before use.
- Never use the folding tray as play equipment to prevent injuries.
- Ensure safe handling in accordance with the operating instructions.
- Initiate immediate measures in the event of leaks.
