Safety Instructions:

- Attention! In Germany, Switzerland, Austria, the Netherlands, Belgium and Luxembourg, these cabinets may not be used to store flammable substances.
- Please observe the specific rules and regulations of your country.
- In the event of a fire, the doors close automatically at 74 °C, which helps to prevent the spread of fire.
- Use only indoors and ensure that the environment meets the requirements.
- The cabinet locks and ventilation openings must be checked regularly to ensure that they are functioning properly.
