Safety Instructions:

- Suitable for corrosive and aggressive chemicals, observe country-specific regulations.
- Do not use for the storage of flammable substances in Germany, Switzerland, Austria, the Netherlands, Belgium and Luxembourg. Please observe the regulations of your country.
- In the event of a fire, the fusible link system closes the doors automatically at 74°C.
- Removable inner lining for easy cleaning and maintenance.
- Robust construction and fire-resistant properties offer increased safety, but caution in flammable environments.
- Ensure that the doors of the cabinet are closed manually to increase safety.
