Safety Instructions:

- Make sure that the desk is placed on a level and stable surface to avoid tipping over and wobbly situations.
- Avoid giving children access to small parts or loose components, as there is a risk of suffocation.
- Follow the instructions for mechanical height adjustment to ensure safe working and avoid injuries.
- Check all connecting elements and levellers regularly to ensure stability and minimise the risk of accidents.
- Avoid contact with sharp objects to prevent scratches on the tabletop.
- Keep electrical appliances and cables away to avoid tripping hazards.
- The product should be installed by a qualified person to ensure stability.
- Warning: May contain small parts that are dangerous for children.
- Risk of falling if not installed or handled correctly.
- Risk of slipping due to incorrectly adjusted levelling glides.
