Safety Instructions:

- The furniture is only suitable for indoor use.
- The enclosed instructions must be followed during installation to avoid injury or damage and to ensure structural integrity.
- Ensure that the dampers and hinges are used safely to avoid the risk of crushing.
- Keep out of the reach of children to avoid possible injury.
- Regular inspection of the stability and condition of the furniture is recommended.
- Not suitable for children; strong and rough surfaces can cause injuries.
- The sideboard should be placed on a stable, level surface to prevent it from tipping over.
- When opening the doors and drawer, please ensure that no fingers are trapped.
- Avoid loading the sideboard beyond the recommended load capacity of 10 kg per shelf.
