Safety Instructions:

- Choking hazard due to small parts if a child is involved. The product is not suitable for children under 3 years of age.
- Risk of falling due to incorrect positioning of the shelf. Place the shelf on a level, stable surface to prevent it from tipping over.
- Risk of injury due to objects falling over or being stacked insecurely. Ensure that the shelf is stable and does not tip over when loaded.
- Use the product in accordance with the specified load capacities (maximum 20 kg per shelf, 10 kg top shelf). Do not overload furniture.
- Follow the instructions provided carefully during installation.
- Make sure that the shelf is not used as a staircase or seat.
- Use the furniture glides to avoid scratches on the floor.
