Article Numbers: 661280, 661279, 661278, 661277, 661276, 661275, 661274, 661273

Safety Instructions:

- Do not exceed a maximum load of 80 kg to avoid structural damage and injury.
- Only use the table on level, stable surfaces to avoid the risk of tipping.
- To avoid injury, only adjust the height when the area is clear and there are no trapped body parts.
- Check regularly for stability, especially after height adjustments.
- For use by adults; keep children away and store small parts safely to avoid the risk of suffocation.
- Protect the table from water and sharp objects so as not to damage the surface.
- Only use suitable mounting accessories to ensure safety.
- Read and follow the operating instructions before use to avoid errors.
- Regular inspection and care of the plastic glides and table surface to ensure stability and longevity.
- Do not use aggressive chemicals for cleaning.
