Safety Instructions:

- Make sure that the drawer and doors close gently and silently to avoid injury.
- The product should be stable and placed on a level surface to prevent it from tipping over.
- Avoid contact with water or other liquids and do not place the product in extreme temperatures to prevent damage to the chipboard.
- The plastic furniture glides can cause scratches on sensitive floors, check the suitability of the surface.
- Avoid overloading the shelves and do not store heavy objects on the upper shelves to prevent breakage or deformation.
- Keep small parts away from children to avoid the risk of choking.
- Follow the enclosed instructions carefully during assembly to ensure a safe and stable construction.
