Article Number: 883507

Safety Instructions:

- Only use the sitting and standing aid on level and stable surfaces.
- Ensure that the height is set correctly before use.
- Do not overload the sitting and standing aid beyond the maximum load capacity of 136 kg.
- The sitting and standing aid is not suitable for children under the age of 12.
- Avoid sitting on the edge of the seat to prevent it from tipping over.
- Keep the aid away from damp or extreme temperatures in order to maintain the material quality.
