Safety Instructions:

- When operating the printer, ensure that no liquids get onto the device to avoid electrical hazards.
- The printer should be used in a well-ventilated area to avoid overheating.
- Please keep the appliance out of the reach of children to minimise the risk of injury.
- The use of unauthorised inks may damage the printer and invalidate the warranty.
- Go back to the operating instructions before transporting or moving the printer to ensure that this is done without damaging it.
- Ensure that the appliance is disposed of correctly in accordance with local regulations for electronic waste.
