Article Numbers: 661397, 661396, 661395, 661394, 661393

Safety Instructions:

- Caution: Choking hazard due to small parts (e.g. magnets), especially for children under 3 years of age.
- Ensure that the whiteboard is stable and securely positioned to prevent it from falling over. The castors are equipped with a locking mechanism that must be locked before use.
- Only use suitable cleaning agents in accordance with the instructions to avoid damage to the surface and to prevent skin and eye irritation.
- Keep the board markers and magnets out of the reach of small children.
- Regularly check the fastenings and castors for stability and functionality.
- Operating hazard due to improper use of the rotating device.
- Choking hazard due to small parts in the accessory set, especially for small children.
- Risk of electric shock due to improper use of electrical appliances.
- Caution when using with chemical cleaning agents, may cause skin irritation.
- When using the markers, pay attention to ventilation in order to avoid health risks.
