Safety Instructions:

- Ensure that the chair is used on a stable surface to minimise the risk of tipping.
- Regularly check the fastenings and adjustment mechanisms to ensure proper functionality.
- Use only on levels that are suitable for wheelchairs to avoid the risk of falling.
- The maximum seat height must not be exceeded in order not to jeopardise the stability of the chair.
- Ensure the correct height and weight of the user to ensure ergonomic use.
- Clean artificial leather regularly to maintain hygienic conditions.
