Safety Instructions:

- Caution: Drawers can jam or block if used incorrectly. Make sure that no objects are blocking the drawers.
- Observe the maximum load of 10 kg on the bottom drawers to prevent damage.
- Ensure that the mobile pedestal is standing on a stable, level surface to prevent it from tipping over. Keep the mobile pedestal on a level surface.
- Activate the lockable castors before use to prevent the mobile container from slipping.
- Avoid direct contact with water to prevent damage to the surface coating and to ensure durability.
- When using the lockable compartment, ensure that the key is kept out of the reach of children.
- Secure the lockable drawer to prevent unauthorised access to confidential documents.
- Only use the mobile pedestal on shelves that are suitable for use with castors to avoid damage.
- Please keep children and pets away from moving parts to avoid injury.
