Safety Instructions:

- Do not exceed the maximum load of the drawers (10 kg per drawer).
- Protect from improper use to minimise the risk of injury or damage.
- Ensure a secure stand, especially when the mobile container is loaded.
- Always lock the castors before moving the container to prevent it from rolling away.
- Observe child safety, the mobile container should be kept out of the reach of small children.
- Regular inspection of the roller container for damage and signs of wear.
- Caution: Choking hazard due to small parts during assembly.
- Do not use the mobile pedestal as a seat.
- Please note the maximum stacking height and stability.
- The product is not suitable for children under 3 years of age.
