Safety Instructions:

- Only use the product in accordance with the manufacturer's instructions.
- Keep the hook away from children to avoid the risk of suffocation. Not suitable for children under 3 years of age as it contains small parts.
- Ensure that the hook is securely inserted into the perforated plate walls and firmly mounted to prevent accidents and falling objects.
- Observe the maximum load capacity of the hook and avoid overloading it to prevent it from breaking or tearing out.
- There is a risk of injury from falling tools or objects if used incorrectly.
