Safety Instructions:

- The writing surface is magnetic, handle magnets with care to avoid damaging them.
- Only use dry markers on the writing surface; excessive use could damage the surface.
- The maximum load of the table is 25 kg; overloading can lead to instability.
- Make sure that the swivel castors are properly locked to prevent unintentional rolling away.
- Ensure that there are no obstacles in the way when using as a mobile workstation to prevent falls or accidents.
- Keep out of the reach of children, as small parts can pose a choking hazard.
- Only write and record notes using the recommended marker materials (board markers) to avoid damaging the writing surface.
- The design must be checked pro forma to ensure that all parts are correctly assembled before the product is put into use.
- Always read and follow the instructions for use before use.
