Safety Instructions:

- Use parts that are inaccessible to children to avoid injury.
- Ensure that the table is placed on a level surface and that the stability of the table is checked, especially when assembled, to prevent it from tipping over.
- Take care when using sharp, pointed objects on the writing surface.
- Do not exceed the maximum load of 25 kg to prevent structural damage.
- Regularly check the castors for proper function to ensure that the table is safely mobile and that the castors are properly locked to prevent accidents caused by unintentional rolling.
- Warning: Choking hazard due to small parts. Not suitable for children under 3 years.
- Ensure that the writing surface is securely attached to the wall and ensure safe use of the wall rail for suspending the writing surface to avoid the risk of falling.
- Follow the instructions for storing and using the dry erase markers to avoid damaging the writing surface.
